

2020 Bible Reading Challenge

This year we are going to study the Bible a little more in-depth. Here's the challenge:

We will read the assigned portion every day for one month. By the end of each month we will be super familiar with the content—even if we don't do anything further. You can choose how dedicated you want to be. If you have other studies going on or in the midst of a busy time of your life, you may want to shoot for three or four days per week to get started. Or perhaps you want to commit to six or seven days. If you are like me, the amount of times we can read each week may even change throughout the year. This is fine, because each month gives us a new beginning. Just remember: The more often we read a passage, the more familiar it will become.

Here is the schedule--

January	I John
February	John 1-7
March	John 8-14
April	John 15-21
May	Colossians
June	Romans 1-4
July	Romans 5-8
August	Romans 9-12
September	Romans 13-16
October	Philippians
November	2 Thessalonians
December	Jude

Here are a few suggestions that may help deepen your study, if you so choose—

1. Use the same Bible to read throughout the year. One in which you feel free to mark and write notes.
2. Outline the books and chapters.
3. Research passages that you don't understand using biblical commentaries and other resources.
4. Join the [Growing4Life 2020 Bible Reading Challenge Facebook group](#) dedicated to this challenge, where you will find encouragement and discussion about what we are currently reading. There you will also find biblical resources and articles that pertain to what we are studying.
